To

The Chairman,
City Improvement Trust Board,

Sir,

Subject:- Revised Estimate for laying Distribution System in Jayanagar Extension, Bangalore.

I am directed to invite reference to Government Order No.P.W.B. 2260-63/WS.10-54-15 dated the 26th June 1954 on the above subject and to state that there has been a cent percent increase over the cost as originally estimated. Whether this has been taken into account by the Trust Board in levying the formation cost, recoverable from the purchasers of sites is not clear. I am to add that, in any event, no part of the Government advances outstanding will be written off on account of increased outlay on this work or any other work consequent on the increase of cost on water supply works. Efforts should be made to see that all money spent over and above the original estimated costs, is recovered by sale of sites.

Yours faithfully,
